Alexandra Festival

What a day it was! From ice-cream to dancers, bands to burritos, blown glass to hats, from clothing to jewelry to candles and crafts, from kids games to photos to soaps - the sun shone and the community celebrated all day, relaxing, connecting and enjoying each others company.

A very special thanks to all our staff and the many volunteers (too numerous to mention but you know who you are!) who helped make the day such a success.

And of course, we extend a very hearty 'thank you' to all our sponsors, funders and donors - we couldn't do it without you!

Welcome Campers

Since 1916 we've been providing residential camps here in Crescent Beach, first for orphans from the Alexandra Orphanage in Vancouver, then for single mothers and their children, and in more recent years, for low-income families, teen moms, adults with a developmental disability and adults with mental health needs. These camps provide a welcome and relaxing break from the everyday routines, with lots of summer-time activities and events. It's a great time for socializing, recreation and an exciting change of scenery by the seaside. Campers enjoy arts and crafts, nature and beach walks, swimming, picnics, special dinners, bingo, talent nights, dances and every night, campfire. Volunteers are always welcome to assist with our campers, who have special needs and benefit from more one-on-one attention.

Again this year, our campers have very limited funds, which means subsidies make the difference for many - camp or no camp. If you are interested in sponsoring a camper, please give us a call at 604-535-0015, as every donation helps campers that may have no other means of support.

Many thanks to the residents of Pacifica and the Crescent United Church Walkers who, under the lead hand of Jean Roe, donated toonies and loonies to send one teen/young mom to camp this year. Jean has facilitated \$400 for this cause.
